Call for Exhibition Proposals – Main Gallery / Community Gallery

Artworks, a non-profit gallery in Trenton, New Jersey's Capital city, requests proposals for exhibitions our Main Gallery.

Individual and group exhibitions may include 2 or 3-dimensional contemporary work in all media, including installations. Artists may be professional or self-taught. Gallery space is 1800 square feet and 200 running feet, with indirect natural and track lighting. Exhibitions typically run for six weeks.

Selections are made by the Artworks Exhibitions Committee, and based on aesthetic merit and curatorial focus. A review of proposals for exhibitions will be ongoing.

We encourage proposed exhibits of installation(s), video art/installation, artists books, alternative photographic processes, fiber, sculpture, architecture, furniture, large-scale prints, drawings or paintings that utilize the gallery space (see dimensional info). Proposals may be of shows that:

- Have already been organized and are traveling, OR may be organized and seek another venue in the region, OR
- are a one-time exhibit, OR
- Partner with ARTWORKS to present perspectives or ideas that incorporate any of Trenton's current or past history, or reflect an ecological, architectural, industrial/post-industrial, or cultural theme of interest to Trenton and surrounding region.

Proposals may suggest using ARTWORKS as a lab for work-in-progress, or for an exhibit partnering more than one organization. Projects with a longer timeframe and funding requirements may also be submitted. (NOTE: ARTWORKS does not have funding to support site-specific or large-scale installation. Fundraising would be done jointly.)

Please note:

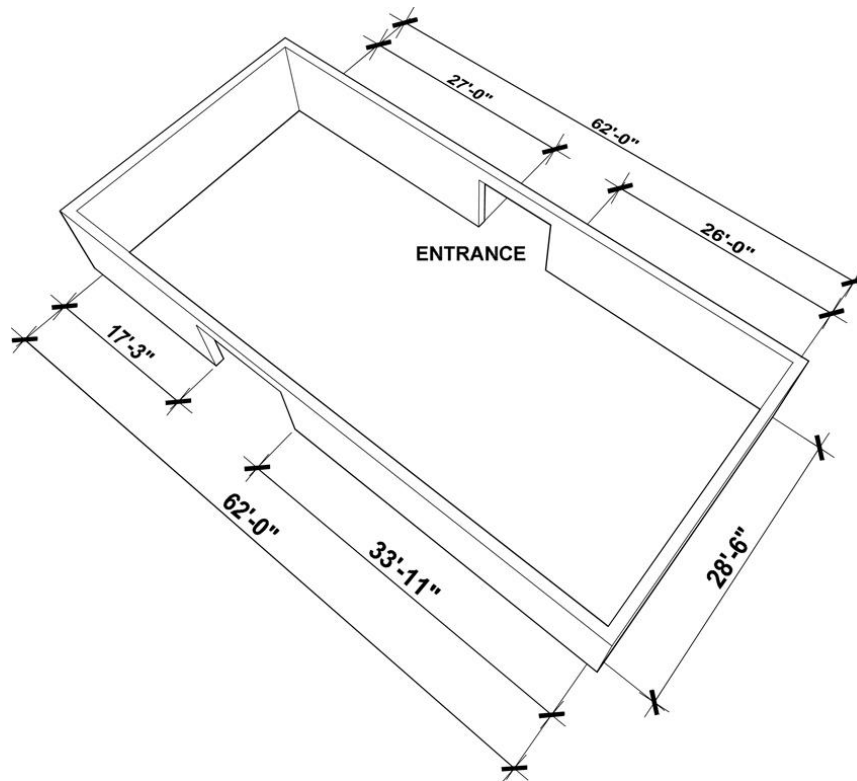

- Preference will be given to artists working within 75-miles of Trenton with highest priority to those in the greater Trenton area.
- Curator and artists must supply framing, unusual installation materials, incoming and outgoing transportation, and insurance for objects in transit.
- Artworks will supply postcards, press releases, publicity on its web site, mass emails and a reception.
- Insurance will be provided for work while in the gallery. Valuations must be provided for each work to be exhibited, in advance of installation.
- The gallery's commission will be 30% of sales.
